# HUMAN (CHILDREN) HUNTING PARTIES, RAPE, TORTURE & MURDER & THE GLOBAL ELITE

"I was taken to a hunting party in Belgium close to Brussels where I saw two boys and a girl ages 14 to 16, hunted and killed by global elites. The human hunting party was heavily guarded by the Netherlands Royal Guards. I was told that King Albert of Belgium was present."

Four eyewitnesses confirmed that as children and youths they were forced to attend human hunting parties where they and other children were raped, with some killed, and deceased boy's penises were cut off.

The Ninth Circle was also said to have well organized and secretive human hunting parties that included pedophilia. Privately owned forest groves were believed used in the US, Canada, France and Holland. It appeared children and teens were obtained by the criminal drug syndicate Octopus, which was believed connected to the Vatican. The kidnapped children and teens were said to be stripped naked, raped, hunted down and killed.

*This is one in a series of articles taken from eyewitness testimony before the*

"I saw the former Pope Joseph Ratzinger murder a little girl" another witness confirmed. "It was at a french chateau in the fall of 1987. It was ugly, horrible and didn't happen just once. Ratzinger and Bernhard were some of the more prominent men who took part."

Let's be clear...

The only "torture" Prince Andrew was engaged in was the rape of young boys, purchase of sex slaves, ritual sacrifice of children and his hunting parties in the forests which chased down boys and cut their balls off as a victory prize.

BRUSSELS – In Belgium, the X-Files refer not to the U.S. television series but to a series of horrific witness accounts of an alleged pedophile network.

The five women and the male transvestite who testified anonymously in Belgium under the code-name "X " described an underworld of snuff movies and sadomasochist torture

that was almost impossible to believe. And they said that politicians and other highly

placed members of society were involved.

eyewitnesses confirmed that as children they were forced to attend human hunting parties where they and other children were raped, with some killed, and deceased boy's penises were cut off.

A former member of the Netherlands criminal drug syndicate known as Octopus testified that victims were obtained for these human hunting parties from juvenile detention centers in Belgium and Holland. (<https://t.co/2BnZUllrU3https://youtu.be/BttAEQuo6QkYes>). THIS is Truth.

I was in a "Pan Man" Hunt that originated out of the dungeon level of the Catholic Mission near my hometown in S. Calif. Tunnel under busy two lane hwy to Private Park they owned.

Naked men, incl. priests, painted their bodies in green camo. We little ones were...scared by them and told to run through the tunnel and out into the black night of the "Park" which was simply a wild forested area at the time. We were naked "little pigs", cutting our feet, falling down, etc...in the dark. I think I was 5yrs old. I didn't run far, what was.....was the point? I just sat on the ground against a tree trunk and waited for the inevitable. When I hear branches snapping nearby, I got up to try to run...because IF you don't "play" you end up dead. I was grabbed and raped, then hauled to the center area where they had poles...and ropes. 2 children per set of poles tied like game at our wrists and ankles with our two captors on each end. Others hoisted the poles up and

put them on the shoulders of our rapist Pan men (boys and girls). They took great delight in jostling us roughly as they carried us...back through the tunnel and into the dungeon. With this Pan Ritual, plenty of alcohol flows constantly, and fruits/vegetables are piled onto a large heavy wooden table.

We children were then untied from the pole and placed in dungeon cells where the men could select a ...

...different child to slap down on the banquet table and rape incl. making us eat... ad nauseum.

Then came the ritual child sacrifice(s), we were just scattered around the floor OUTSIDE the Ritual Circle with the Pan Men Captors who were very intoxicated at this point.

You do not...make mistakes in a Ritual Circle, so sober men did the sacrifice(s). They had made we children drink alcohol, or made us eat alcohol-infused fruit, so everything that happened after the Hunt gets blurry.

There's always the blood/flesh orgy after sacrifice(s), but some were far...too drunk to continue to rape.

One year the Pan Man Hunt took place in a remote Lagoon where the men lurked in the water, and all of us sent out into the murky water could at least float.

Obviously, I was not put in the bow and arrow hunts or rifle hunts, but I overheard their...gloatings over their preferred victims of those the N-word Hunts. They liked "the sport" of using grown men obtained from prisons that "nobody would ever miss", i.e. no family visits/contact on a regular basis. Some of these hunts took place on horseback with "hounds treeing..

..those g.d. 'coons'. God, I hated those men! My bloodline Family were American Nazis.

Sorry.

I must stand as a witness for all these who did not survive.

"The Ninth Circle Satanic Cult, a child sacrifice group composed of global elites, appears to be routinely raping, torturing and murdering children" it was announced yesterday by the ITCCS. Recent court filings against the international child kidnapping ring go to court April 7. Named as chief defendants for the Brussels Common Law Court trial were Pope Francis, Jesuit Superior General Adolfo Pachon and Anglican Archbishop of Canterbury Justin Welby. Among possible Ninth Circle Satanic Cult members named by witnesses who would testify at the trial were former popes Joseph Ratzinger and John Paul II, UK High Court Justice Judge Fulford and members of the British Royal Family. "Queen Elizabeth had direct involvement in the kidnapping and death of aboriginal children and Royal Family members appeared to regularly participate in Ninth Circle Satanic Cult rituals at the Mohawk Indian School in Brantford Ontario Canada" yesterday's announcement proclaimed. According to two affidavits filed in court, not only did different witnesses see Ninth Circle Satanic Cult members commit murder, but claimed the brutal killings of innocent children continued today, some in sub-basement vaults. The international court was set to consider: Testimonies of two former Mohawk School inmates who both say they were present at the Ninth Circle Satanic Cult murder of a 5-6 year-old girl at the Mohawk Indian School in Brantford Ontario Canada. A copy of the 'Magisterial Privilege' that was filed within sealed archives of the Vatican library. The Ninth Circle Satanic Cult operated according to this canon law statute dated Dec. 25 1967. It was said to document that before each new pope assumed office it was mandatory that they participated in Ninth Circle Satanic Cult rites. The document referred to ceremonial murder of newborn children and consumption of their blood. Testimonies of two witnesses who claimed they saw former Pope Joseph Ratzinger, Dutch Cardinal Alfrink and Prince Bernhard take part in a Ninth Circle Satanic Cult murders in Holland and France, one of a little girl in the fall of 1987. One of those witnesses was Dutch therapist Toos Nijenhuis who in this video interview with Kevin Annett, discussed seeing Ninth Circle Satanic Cult murders as late as 2010. At least one of those murders involved former Pope Ratzinger. Testimony of Anglican church researcher Leona Moses, whose 2011 interview with Kevin Annett and Mohawk elder Cheryl Squire could be seen in this video. Testimony of a former Argentine civil servant during the 1970s Dirty War who took extensive notes of meetings between the now-Pope Francis and Junta military officials. Pope Francis' fast ascension to head the Argentine Catholic Church was a suspected result of his agreement to traffick missing political prisoner children from Catholic orphanages. Testimony of a police-accredited investigator. The "G12" collection of documents of the Anglican Huron Diocese from the Church of England secret archives in London, Ontario Canada. A January 2012 memo from Archbishop of Canterbury Justin Welby to Anglican Primate Fred Hiltz in Toronto ordering destruction of forensic human remains and evidence of murdered children in the Mohawk Indian School archives. "In October, 2011, excavations commenced by Mohawk elders on the grounds of the (Mohawk) school revealed...bones that had been cut up in sections. Two of these bone fragments were positively identified as being those of a small child by Ontario forensic examiner Greg Olson and archaeologist Kris Nahrgang, as well as by senior forensic pathologist Dr. Donald Ortner of the Smithsonian Institute in Washington, D.C. Ortner died of undisclosed causes shortly afterwards." Mass genocide of Mohawk Confederacy children began in 1832 at the former Church of England-Jesuit run Mohawk Indian Residential School in Brantford Ontario Canada. Since the 2008 discovery of a child mass grave site at the Mohawk School, there have been 31 other mass child grave sites identified at native residential schools across Canada, in Holland and the United States. The schools were mainly run by Catholic Jesuit priests. On Feb. 28 2013 this same international court found Head of the Anglican Church of England Queen Elizabeth and former Pope Joseph Ratzinger guilty of Crimes Against Children -The 9th circle have involvement in this practice. This story is the second in a series called "Real Women, Real Stories," a social project designed to promote awareness of the often unseen hardships women face in different professions and places around the world.

Read the first story in the series here (<https://www.globalcitizen.org/en/content/my-name-is-brooke-axtell-and-i-was-trafficked-at-a/>).

When I was a little girl in my native Belgium (<http://www.nytimes.com/1996/09/12/news/king-forced-to-step-in-pedophile-scandal-just-one-of-many-belgiums.html>), I was put to work as a sex slave.

My mother sold me, and drove me wherever, whenever she got the call. The boss of this pedophile network (<http://news.bbc.co.uk/2/hi/europe/1774436.stm>) was a Belgian cabinet minister. The clients were members of the elite. I recognized people from television. Their faces were familiar to the masses, while I was confronted with the dark side of their power addiction — the side no one would believe existed. I came across VIP's, European heads of state, and even a member of a royal family.

Around my sixth birthday, in 1969, I was taken to an orgy (<https://isgp-studies.com/belgian-x-dossiers-of-the-dutroux-affair>) for the first time, in a castle. I was used for an S&M show, on a low stage, chained up with an iron dog collar, and made to eat human feces. Afterwards, left lying there like a broken object, I felt so humiliated, I had to do something to save my soul, or else — and this I knew for certain — I would have withered and died.

I raised myself up, and stood looking at the bizarre crowd of aristocrats dressed up

(<http://www.blumhouse.com/2016/04/14/a-secret-look-inside-the-creepiest-celebrity-party-ever/>) as hippies, swaying to the music in various levels of sexual interaction, busily availing themselves of little pills and pre-rolled joints passed around on silver trays by sober waiters. I trembled in fear, but my body straightened and stilled itself like a bow in suspense before the shot, and I heard my voice as though it were not my own, chiding the adults, telling them that this was wrong — that I was going to tell on them, and that they would all go to jail.

(<https://www.globalcitizen.org/en/content/my-name-is-brooke-axtell-and-i-was-trafficked-at-a/>)

Trippy, spacey music was oozing through the atmosphere and most people were too high to notice me. One man, wearing a business suit, caught my eye. He looked scared, but he held my gaze for a brief moment, and seemed to feel for me. Then he was gone. I never saw him again in the network, but years later I did spot him on TV. He became a prominent Belgian politician.

I was quietly led away and taken to a cellar. I was certain that I was going to be killed, but instead I was shown the fresh body of a young murder victim. I was to remain silent.

During the week, I went to school. I was a shy girl, with few friends. I remember, once, in the second grade, becoming aware of an energetic shift in the room, to realize all eyes were on me. The teacher had been calling on me, and I had been too spaced out to hear. She wondered out loud if I knew the answer to the question she had asked, and I sat in embarrassing silence while the class laughed.

I was a nonentity at school, and at home no one cared for me. I received more attention in the network. It felt good to be viewed as the most perfectly beautiful, sensual object by powerful men with high standards in taste. This was the only positive in my life, and I clung to it as my only raft to keep from drowning in a sea of shame and self-loathing.

After four years of surviving the network, when I was 10, a new guest brought along his 20-year-old son: tall, dashing, blond, and blue-eyed. He boldly advanced toward me. I smiled, and he called me a little whore. Not since the first time I had been brought to an orgy, four years earlier, had I expressed my true feelings. I was furious.

"You think I like it here?" I sneered.

This interaction started the most intense year of my life, in which I would feel more than ever loved, seen, and understood, and would be more than ever abused, all by that same young man. A year later, when he was through with me, I was of no use to the network anymore, and was to be killed. When my torture began, he stood watching, laughing.

This was the third time that my entire being became filled with an otherworldly force. Fierce pride straightened my body. A burning cigarette was put out on my forearm. My energetic body latched onto his in pure defiance. The thought "I don't need you!" had become me, and all I saw was the energy behind the troubled ocean of blue in his eyes, and the love in spite of all the pain he had passed on to me.

I was led away to a small room, and strapped onto a butcher's block. The man who tortured me was one of the defendants in the notorious Dutroux case (<http://www.nytimes.com/topic/person/marc-dutroux>), which, when

it broke the news in 1996 (<http://www.nytimes.com/1996/10/21/world/275000-in-belgium-protest-handling-of-child-sex-scandal.html>), was believed it would blow up the Belgian pedophile network. But instead, eight years later, only Marc Dutroux received a life sentence ([http://www.nytimes.com/2004/06/18/world/belgian-man-is-convicted-of-raping-and-killing-girls.html?\\_r=0](http://www.nytimes.com/2004/06/18/world/belgian-man-is-convicted-of-raping-and-killing-girls.html?_r=0)). I should have died that night in 1974 on that butcher's block, but my life was saved at the last minute.

While I had been tortured, the young man had been negotiating with the politician in charge of the network. They made a deal: he would work for the politician, extend his shady services in exchange for my life. This one good deed eventually cost him his own life. In this milieu, any shred of humanity is a deadly weakness.

My life was spared, and I was told to remain silent forever. It took me 40 years before I could speak up. In 1988, when I was 25 years old, I was walking downtown Los Angeles, near Skid Row, and got a faint, specific whiff of human feces, and was assaulted with the memory of the extreme humiliation I had suffered as a child. My instant thought was: "If this is true, I'm going to kill myself."

I was too identified with the experience, and the shame was too great. I wasn't ready, and pushed the memory back into the subconscious. It would take several more years, many more hours of therapy, to finally share this memory with one safe person.

I share this experience publicly here for the first time, having finally reached a place in my healing where I have access once again to the strength that came through me in those moments of clarity in the network. I also believe that the world is more than ever ready to confront its darkness. We have to, if we are to survive as a species.

All survivors of incest, sexual abuse, and sex trafficking have my strength. Though I suffer from PTSD, and, for example, I still become nauseous whenever I hear a certain kind of airy, trippy music, I've become so mindful of triggers that they don't control my everyday existence. It takes so much energy to survive not only the physical violence, but to endure the psychic drain of abuse — to carry the shame.

Just surviving daily life while trying to heal from child sexual abuse requires a thousand times the strength it would require for someone without awareness to pursue a successful career. And society still values the career person over the survivor.

Power addicts, world leaders, and corrupt politicians who abuse children (<https://www.youtube.com/watch?v=7YBVozEL9ug>) are themselves like children who never grew up, driven to power to avoid ever feeling the humiliation of child abuse again, unconsciously seeking revenge from a place of hurt by recycling the abuse. They lack the courage to heal.

"The Ninth Circle Satanic Cult, a child sacrifice group composed of global elites, appears to be routinely raping, torturing and murdering children" it was announced yesterday by the ITCCS. Recent court filings against the international child kidnapping ring go to court April 7.

Named as chief defendants for the Brussels Common Law Court trial were Pope Francis, Jesuit Superior General Adolfo Pachon and Anglican Archbishop of Canterbury Justin Welby. Among possible Ninth Circle Satanic Cult members named by witnesses who would testify at the trial were former popes Joseph Ratzinger and John Paul II, UK High Court Justice Judge Fulford and members of the British Royal Family.

"Queen Elizabeth had direct involvement in the kidnapping and death of aboriginal children and Royal Family members appeared to regularly participate in Ninth Circle Satanic Cult rituals at the Mohawk Indian School in Brantford Ontario Canada" yesterday's announcement proclaimed.

According to two affidavits filed in court, not only did different witnesses see Ninth Circle Satanic Cult members commit murder, but claimed the brutal killings of innocent children continued today, some in sub-basement vaults.

The international court was set to consider:

• Testimonies of two former Mohawk School inmates who both say they were present at the Ninth Circle Satanic

- Cult murder of a 5-6 year-old girl at the Mohawk Indian School in Brantford Ontario Canada.
- A copy of the 'Magisterial Privilege' that was filed within sealed archives of the Vatican library. The Ninth Circle Satanic Cult operated according to this canon law statute dated Dec. 25 1967. It was said to document that before each new pope assumed office it was mandatory that they participated in Ninth Circle Satanic Cult rites. The document referred to ceremonial murder of newborn children and consumption of their blood.
- Testimonies of two witnesses who claimed they saw former Pope Joseph Ratzinger, Dutch Cardinal Alfrink and Prince Bernhard take part in a Ninth Circle Satanic Cult murders in Holland and France, one of a little girl in the fall of 1987.
- One of those witnesses was Dutch therapist Toos Nijenhuis who in this video interview with Kevin Annett, discussed seeing Ninth Circle Satanic Cult murders as late as 2010. At least one of those murders involved former Pope Ratzinger.
- Testimony of Anglican church researcher Leona Moses, whose 2011 interview with Kevin Annett and Mohawk elder Cheryl Squire could be seen in this video.
- Testimony of a former Argentine civil servant during the 1970s Dirty War who took extensive notes of meetings between the now-Pope Francis and Junta military officials. Pope Francis' fast ascension to head the Argentine Catholic Church was a suspected result of his agreement to traffick missing political prisoner children from Catholic orphanages.
- Testimony of a police-accredited investigator.
- The "G12" collection of documents of the Anglican Huron Diocese from the Church of England secret archives in London, Ontario Canada.
- A January 2012 memo from Archbishop of Canterbury Justin Welby to Anglican Primate Fred Hiltz in Toronto ordering destruction of forensic human remains and evidence of murdered children in the Mohawk Indian School archives.

"In October, 2011, excavations commenced by Mohawk elders on the grounds of the (Mohawk) school revealed...bones that had been cut up in sections. Two of these bone fragments were positively identified as being those of a small child by Ontario forensic examiner Greg Olson and archaeologist Kris Nahrgang, as well as by senior forensic pathologist Dr. Donald Ortner of the Smithsonian Institute in Washington, D.C. Ortner died of undisclosed causes shortly afterwards."

Mass genocide of Mohawk Confederacy children began in 1832 at the former Church of England-Jesuit run Mohawk Indian Residential School in Brantford Ontario Canada. Since the 2008 discovery of a child mass grave site at the Mohawk School, there have been 31 other mass child grave sites identified at native residential schools across Canada, in Holland and the United States. The schools were mainly run by Catholic Jesuit priests.

On Feb. 28 2013 this same international court found Head of the Anglican Church of England Queen Elizabeth and former Pope Joseph Ratzinger guilty of Crimes Against Children – the same day Ratzinger became the first pope in history to resign from his office. Four eyewitnesses confirmed that as children and youths they were forced to attend human hunting parties where they and other children were raped, with some killed, and deceased boy's penises were cut off. <https://t.co/WBhmZdoDLL> (<https://t.co/WBhmZdoDLL>).

The only “torture” Prince Andrew was engaged in was the rape of young boys, purchase of sex slaves, ritual sacrifice of children and his hunting parties in the forests which chased down boys and cut their b\_lls off as a victory prize.

‘Hypocrite’ Prince Andrew is ‘torturing’ Jeffrey Epstein’s victims by offering to ‘speak to US authorities, then shutting the door’, claims their lawyer.

September 10, 2014) Transcript of Anne Marie van Blijenburgh’s testimony about child murders in Belgium

My name is Anne Marie van Blijenburgh. I have been married for twenty four years to Kees van Korlaar. Together with his three brothers, Kees van Korlaar forms a criminal organization known as the Octopus Syndicate (ed. Note: This is a slang term in Holland for Ndrangheta, the modern Italian -based Mafia). They have worked from 1960 on to today. By order of Queen Beatrix they have organized the murder, torture, rape and killing of children in a public setting. They organized that through youth detention centers in the Netherlands.

The youth detention centers were told by the criminals that they were asking for the Dutch court for children who could work for the Dutch Queen for a certain period. The detention centers were very happy, they thought that Queen Beatrix was a very social person, and they gladly volunteered in giving files of certain children to the criminals. When they wanted to verify what the criminals told them, they were given a name and a phone number of a high ranking officer in the court of Queen Beatrix, and that high ranking officer would tell them that indeed the criminals were seeking children to work for a certain period at the Dutch court.

After receiving files of approximately three children every time, the criminals selected a child that had no relative or family. They told the youth detention center that those are the ones we want, the youth detention center would give clothes to the child and put the child on the train to Zwolle.

In Zwolle, the criminals fetched the child from the station and brought it to a building that was equipped like a hotel but was not working as a hotel, although there were people in the lobby as if the hotel was working.

The child was put on a table and was given something to drink and with that drink the child was drugged. Beside that hotel was a building where the performance took place.

In that building there were people were sitting down and at a certain moment the child was brought into that building by the criminals, was tortured, raped and brutally murdered in front of those people.

The audience was around Prince Johann Friso, the second son of Queen Beatrix. I was told that Johann Friso was quite insane and had an unhealthy interest in young children and had a psychiatrist with him every day of his life.

That psychiatrist's name was Guus Pareau Dumont. The criminals organized those killings in accordance with Queen Beatrix, she paid for the killings.

And the criminals asked Johann Friso to bring his relatives and friends with him, so the whole building was filled with very important people from the Netherlands: ministers, high ranking officers and all kinds of people that the criminals could photograph so they could blackmail those people and get criminal advantages from that.

Question: Could you name some of the people who were present?

The people who I recognized there were Prince Johann Friso, his psychiatrist Guus Pareau Dumont.

I recognized Johann's wife Mabel Wisse Smit, she was there with an old man – I think it was George Soros.

I recognized a Herr Donner, a former minister of the law department, the viceroy of the Netherlands,

I recognized Ernst Hirsch Ballin, a very important former Minister of Justice,

I recognized a Mr. van den Emster, he was for years the head of all judges in the Netherlands,

I recognized Dick Berlijn, he's a former head of the military department in the Netherlands.

I recognized a very important journalist.

I recognized Carla Eradus, the wife of Friso's psychiatrist Guus Pareau Dumont, Carla is the President of the Court in Amsterdam, a judge.

I recognized Mark Rutte, he's at this moment the President of the Netherlands.

I recognized Geert Wilders, he is at this moment the head of the political party PVV and head of the Dutch Parliament.

There were about fifty people every time I was taken there. I have been taken there three times.

I have seen every time that they killed a child, I have seen two boys killed and one girl killed. I presume they were children from the Netherlands, I presume they came from detention centers and were recruited in the way I have told.

Question: You said that officials at the detention center thought that the children had been eaten?

I asked a journalist of the paper De Telegraaf in 2005 or 2006 to look that up for me and to publish in the newspaper what was happening.

The journalist told me he had checked my story with all the youth detention centers in the Netherlands and had spoken to people who had indeed given those files to the criminals and they thought that the children they put on the train were going to be solicited to work in the court of Queen Beatrix.

And some of those detention center people told the journalist that they thought that Queen Beatrix was eating those children up because they were putting them on the train to Zwolle and they never saw those children again or ever heard about them anymore.

*Question: Do you know what happened to the remains of the children who died, where they were buried or what they did with them?*

Yes unfortunately I know, yes. They were first thrown in a container behind the building where they were murdered, a cooling container. After certain performances the container was brought to Belgium where they had a piece of land where they put the children in a hole.

*Question: What is the name of the place in Belgium, do you know?*

I must look it up, I found it but I must look it up.

*Question: What is it that you'd like to see happen about all of this?*

I want to see those criminals forever locked up.

*Question: You haven't received any help in the Netherlands, you said.*

Not one thing, no, it's terrible, from 2004 to today. I have spoken with every policeman I could find, and every law official, I've talked to INTERPOL about this, I've been to court to try to get a the prosecutor to convict this and investigate the matter.

The court told me it wasn't my problem, it was a problem of society, and the court didn't want to give an order to the prosecutor to investigate. I have done literally everything to clear this up. I have the idea that everything is stopped because Queen Beatrix is involved and the Dutch court is involved. And every time somebody wants to investigate they slap him on the shoulders and say don't do that because Queen Beatrix doesn't want it.

*Question: Are you willing to give this testimony in another court, say a Common Law Court?*

Yes. I have no objection about that. I am very very angry, if you've seen what I've seen, it always stay with me. I can't put it aside because it's one of the cruelest things I have seen, it's horrible, it's really horrible.

The idiots. One time when I was going back to my home, my husband who took me there, he drugged and he let me see that and he brought me back to my home a hundred kilometers away. And during that ride I suddenly came to my senses,

I suddenly discovered that it was a child that I had seen killed.

I burst out into tears.

My husband was driving and he put his arm to me and he said, "Don't bother, they're children of a minor family, they're orphans, they're just trash, it doesn't matter they were killed." It's horrible. I can't describe it.

It's horrible those people were sitting there and looking and not doing anything.

*Question: And your husband is still alive.*

He's still alive and he's still killing people.

If you just think how many people since 2004 have been killed, it's been ten years, they kill perhaps ten or twenty people a year if not more, it's horrible.

I have shown the police four places in the Netherlands they use as grave yards for people they killed. Never, never, has any policeman ever taken the trouble to look.

*Question: Can you name those four places?*

When I was a boy, we read a short story by Richard Connell called "The Most Dangerous Game."

A black and white movie poster for 'The Most Dangerous Game'. The background is a textured, light-colored surface. A large, detailed image of a handgun is positioned diagonally from the top left towards the bottom right. In the center, a man's face with a beard and mustache is shown in a close-up, looking upwards and to the right. To the right of his face, a smaller, more intense-looking face of an older man is visible. Above the main face, a small figure of a man in a dark shirt and light pants is running across the barrel of the gun. The title 'MOST DANGEROUS GAME' is written in large, bold, white capital letters across the bottom half of the poster.

The story is perennially popular, so it was made into a film not only in 2017 but earlier in 1932. Below you can watch the full movie of The Most Dangerous Game.

Pre-Code Hollywood was pretty crazy, and it contained a lot of lurid material and satanic cartel signaling.

“The Most Dangerous Game” concerns the mad Count Zaroff, who hunts human beings. In high school, I had a mysterious feeling there was something to this story, but my teacher dismissed it as mere escapism.

The all-seeing eyes on the poster imply otherwise....

Yes I can name them, I can show them, but I will put them to you by email. But the criminals know I have told the police, they've had every opportunity to let the bodies disappear, I know two places where it is difficult for them to disappear...

But normally in the Netherlands when you find a body in a house with blood, the police go with 20 or 30 people to investigate. But when I say to the police I know four places in the Netherlands they use as a graveyard, and every graveyard perhaps 20 or 50 perhaps 100 bodies are buried there, nobody is looking, nobody goes to those places.

*Question: Can you tell us your name please and the date today?*

Because it's perfectly normal for the world's elite to do mock sacrifices under a giant owl statue...

Fiona Barnett survived a pedophile ring in Australia, still operating, that includes a former governor general, three former prime ministers, a former education minister, other high-ranking politicians, judges, and police. She describes human hunting parties at Bohemian Grove.

Cathy O'Brien tells how Dick Cheney hunted and raped her near Greybull, Wyoming, when he wasn't committing war crimes and defending a "rectal feeding" program for "suspected terrorists."

In Shasta, California, Cathy O'Brien was hunted by the traitor Dick Cheney, who raped her with a dog, and by George Bush, who forcibly sodomized her daughter, Kelly, when she was a toddler.

# QUEEN ELIZABETH FOUND GUILTY IN MISSING CHILDREN CASE – WHISTLE BLOWERS INCARCERATED

Posted on [May 28, 2016](#)

In the second week of May 2014, British soldier Vivian Cunningham was drugged and institutionalized against his will. Apparently, his “crime” on May 6 was daring to ask superiors about Queen Elizabeth’s outstanding arrest warrant.

The order to arrest Queen Elizabeth was issued in 2013 by six judges of the International Common Law Court of Justice in Brussels.

After nearly a year of litigation, Queen Elizabeth and her husband, Prince Phillip, were found guilty in the disappearance of ten native children from the Catholic-run Kamloops residential school in British Columbia. Grieving parents haven’t seen their children since they left for a picnic with the Royal couple on Oct. 10 1964.

Sometimes the Illuminati hush up these crimes by brainwashing people, but at others their approach is more forceful. Vivian Cunningham, of the Irish Guards, was drugged and institutionalized against his will, just as I would be later when I woke up to the reality of MK-ULTRA. As noted in *Humans Are Free*,

*Cunningham’s ‘crime’ was daring to ask superiors about Queen Elizabeth’s outstanding arrest warrant. As my friend Andrea Davison, formerly of British Intelligence, a brave Englishwoman who blew the whistle on arms deals and child abuse, told me, the royal deception runs deep. It's hard to investigate any organized crime syndicate without finding links to the royals. My girlfriend's grandfather, Lieutenant Colonel William Brown, OBE, used to say, "You can't be that rich and not be crooked."

The royal family, like the Bushes, are satanists pure and simple.

**The Bush Family, Satanism, & Crimes against America (<http://fightingmonarch.com/2018/06/09/fighting-project-monarch-mk-ultra-the-bush-family-satanism-crimes-against-america/>)**

Humans Are Free reported an international trial on the Ninth Circle, a satanic cult that hunts and molests naked children. As reported there,

*A court document had been filed indicating that in January 2012 UK Archbishop of Canterbury Justin Welby acted under the direction of Queen Elizabeth to destroy forensic remains of a Ninth Circle Satanic Cult child homicide. Two eyewitnesses have testified that as children they were present during this same murder of a native child. The satanic rite evidently occurred in a sub-basement catacomb under the west wing of the Canadian Branton Ontario Mohawk Indian residential school. The two eyewitnesses alleged that they saw a young girl being bound to an altar. The five or six year-old child was gagged, repeatedly raped, killed, disemboweled and dismembered. Her blood was consumed by nine red-robed figures that included a member of the British Royal Family.*

I wouldn't believe it myself unless I also witnessed the abuse of my loved ones. Certainly, the royals have the power not only to commit but also to conceal these horrible crimes.

What's easier for many to believe is the rampant child abuse and rape that infests these circles. Just look at Andrew Windsor, commonly known as Prince Andrew or the Duke of York, who raped many underage girls.

Prince Andrew was a known associate of Jeffrey Epstein, who kept young girls in sexual slavery on a private island, and who appears to have been murdered so he wouldn't spill the beans.

**Luke Rudkowski of We Are Change – Hard-Hitting Stories on the New World Order (<http://fightingmonarch.com/2019/10/29/real-journalists-luke-rudkowski-we-are-change/>)**

Likewise, Bill Clinton, another president of the United States, commonly known as Slick Willy, not only raped Cathy O'Brien but also frequented Jeffrey Epstein's private island, where he raped young girls. Jeffrey Epstein often visited the Clinton White House.

So after the umpteenth occurrence of some conspiracy believer bringing up the Rothschilds “hunting humans” on their vast estate in Austria, I decided to go searching for the source. Not because I feel compelled to defend a wealthy family to whom I’m not related. But because I like tracking things down to their source, where it’s a nutso blog post or a self-published book or just thin air.

The QAnon community is very upset because they believe the Rothschild family literally hunted children on an Austrian estate.

In the Rothschilds' defense, kids can be more sly and harder to catch than you'd assume.

So where did the rumor that the Rothschilds hold great hunting parties where they track down and slaughter children for sport start? Was it some Nazi-era bit of propaganda? An old Napoleonic canard? Something more recent from the poison pen of David Icke or Alex Jones?

Nah, it was QAnon.

But before we get to that, let's backtrack a bit, because you might not have heard the rumor that the Rothschilds have an Austrian hunting lodge where they play The World's Most Dangerous Game. To break things down into their basic components, here's what's actually true:

1. The Rothschilds had a large hunting estate in Austria (not the Black Forest, which is in Germany), which they sold in February 2018 as part of a larger property sale.
2. There is no monolithic "Rothschild family," but a large and interconnected extended family where members of the various branches act on their own making individual decisions.
3. Yes, people think it was a human hunting lodge, which the family dumped out of desperation for money.

To state the obvious, there is no evidence that any such “human hunting parties” took place at the Rothschild-owned estate, called Langau (<https://family.rothschildarchive.org/estates/86-langau>) after the small town near it, or at any other Rothschild-owned property. Or any property, anywhere. The closest thing I found was a debunked rumor (<https://www.snopes.com/fact-check/hunting-license/>) from a blog from 2014 about something called the “Ninth Circle Satanic Child Sacrifice Cult” getting a bunch of European royalty together to hunt children.

The Rothschild family first started doing business in Austria around 1815, and quickly became a top financier of the Hapsburg empire. In 1875, Baron Albert von Rothschild acquired a massive parcel of land in southern Austria, estimated to be about the size of Manhattan. Ownership of the land, which came to include a number of large houses, power plants, and lodges, changed hands in the family several times, until the land was seized by the Nazis in 1938. It was held first by Germany, then by the occupying Soviets, until 1952, when most of it was returned to the family.

Since then, the property was split into two large parcels. By 2018, one of the parcels was owned (<https://www.mansionglobal.com/articles/rothschild-family-sells-large-austrian-hunting-estate-87753>) by Albert von Rothschild’s great-grand daughter Nancy Clarice Tilghman and her husband Geoffrey R. Hoguet. The other was owned (<https://www.bloomberg.com/news/articles/2019-01-25/rothschilds-sell-last-piece-of-austrian-empire-after-200-years>) by another great-granddaughter, arts patron Bettina Burr. It was Tilghman and Hoguet who sold their parcel (including the lodge) in February 2018, with Burr selling hers a year later. Both parcels were sold to the same buyer, Austrian paper conglomerate Prinzhorn Holding, which plans to keep the popular outdoor areas and lodges intact while likely doing at least some logging.

The deal made for Langau was massive, with the first part selling for \$105 million, and the second for a little more than that. There’s no indication that this was a “family fire sale,” or that the heirs needed money. It seemed merely to be two land owners getting a really good offer on something they no longer felt they wanted to own anymore.

So why did anyone think that the heirs of the most powerful family on the planet would willingly give up their human hunting ground? Blame it on three QAnon posts from January and February 2018, right after news broke of the first sale.

These three posts comprise the beginning of the conspiracy theory, with Q hinting at sinister machinations behind the Rothschilds selling the Langau estate, while continuing to incorrectly place it in the Black Forest, which is actually over 500 miles from Langau.

Keep in mind that at no point did any of these posts reveal any information that wasn't already public. The first post, merely mentioning "Black Forest," came a day after news of the first sale [first broke](#) ([https://www.trend.at/wirtschaft/prinzhorn-forstwirtschaft-niederoesterreich-mio-euro-8747182?mod=article\\_inline](https://www.trend.at/wirtschaft/prinzhorn-forstwirtschaft-niederoesterreich-mio-euro-8747182?mod=article_inline)) in German-language media. Anyone with a Google alert for "Rothschild" could have run the stories through a translator and known exactly what happened.

But those posts were all it took for a flurry of semi-anonymous Twitter trolls to decide that the Langau hunting lodge was the site of human hunting, sometimes lumped in with the bogus “Ninth Circle Cult,” and sometimes just made up.

of Ley lines. Common places for ceremony include the Great Pyramid in Egypt, and in the great castles of Europe that are located over underground entrances to the inner Earth. These openings are most commonly found in Scotland, France, and Switzerland, with others in Belgium, Germany, and Austria.

A typical Religious Rite ceremony attended by most of the world leaders and corporate elite of the planet usually begins at dawn. Several "animals" are released into a protected wilderness area. These are humans chosen for their strength and power. They are usually male, but may include females, and can be of any race. The "animals" are usually drugged with amphetamines to make the "hunt" more interesting. These hunters are armed with guns, knives, and sometimes bows and arrows.

The prey is usually allowed to run and wander until dusk. The area is booby-trapped to the advantage of the mostly intoxicated hunters. During the course of the day, some prey is caught in the traps. They are tortured, raped, and killed by the hunters. Their bodies are burned. Sometimes parts of the bodies are kept as trophies.

At dusk, the remainder of the prey are rounded up and secured. The non-white victims are killed on the spot. There is usually a great bonfire before a Reptilian statue or idol, such as Nimrod, Osirus, or Belial, to whom the souls of these victims are dedicated. The ashes and bones of these sacrifices are kept in a pit in front of the idol. Their eyes, hearts, and sexual organs are often removed and fed to lizards and other vicious pets kept at the site. The "congregation" is plied with red wine and vodka, representing blood and hormones of the victims. Sometimes this is mixed with the ashes of the victims and buttermilk, representing semen.

The white/Aryan prey are drugged and taken to a staging area for the ritual. Depending upon the location, this could be outdoors in front of an altar, or in the depths of a castle, church, or political building.

Even with just these few strands, the conspiracy theory that the Rothschilds had “sold a human hunting lodge” because they desperately needed money to help them flee the Q team was born. Of course, nobody seriously accused the parcel owners of “human hunting,” nor has anyone ever seriously claimed to have hunted humans or been hunted there. Former owner Nancy Tilghman had even written a piece (<https://www.architecturaldigest.com/story/rothschild-hunting-lodge-austria>) for Architectural Digest talking about the lodge’s history and the renovations she’d undertaken on it.

What we have here, then, is a real and routine story being transformed into a hysterical conspiracy theory simply because of a few posts from a cult leader and confirmation bias.

The Rothschilds never hunted humans at a lodge in Austria, the Black Forest, or anywhere else. Nobody really thinks they have, other than a few cranks who will believe anything anyone tells them, as long as it’s bad for the people they hate.

Five international judges are examining evidence of child rape, torture, murder and kidnapping allegedly done by global elite members of the Ninth Circle Satanic Child Sacrifice Cult network.

Named as present in Ninth Circle activities were Pope Francis, former Pope Ratzinger; Anglican, United Church of Canada and Catholic Church officials including Cardinals; members of European royalty including Queen Elizabeth and Prince Phillip; officials of the Canadian, Australian, UK and US military and governments including the USA's CIA, plus prominent government ministers, judges, politicians and businessmen from the US, Belgium, Holland, Canada, Australia, France, Ireland and the UK.

Teens were drugged, stripped naked, raped, hunted down in the woods and killed by European royals according to this week's latest eyewitness to testify.

The woman was the fourth eyewitness (<https://www.youtube.com/watch?v=VhirLohgDRc&feature=youtu.be>) to give accounts about these human hunting parties of the global elite Ninth Circle Satanic Child Sacrifice Cult network.

A former member of the Netherlands criminal drug syndicate known as Octopus testified that victims were obtained for these human hunting parties from juvenile detention centers in Belgium and Holland.

"In 2004 I was an involuntary witness to torture, rape and murder sessions of drugged children performed for a group of high ranked people of the Netherlands" stated a woman.

"I was taken to a hunting party in Belgium close to Brussels where I saw two boys and a girl ages 14 to 16, hunted and killed by global elites. The human hunting party was heavily guarded by the Netherlands Royal Guards. I was told that King Albert of Belgium was present."

Four eyewitnesses confirmed that as children and youths they were forced to attend human hunting parties where they and other children were raped, with some killed, and deceased boy's penises were cut off.

there was a Dutch countryside palace where boys' penises were displayed like trophies on a wall. Some hunting parties were hosted on the grounds of Netherlands, at Queen Beatrix's Palace.

Dutch therapist Toos Nijenhuis (<http://youtu.be/-A1o1Egi20c>) claimed that as a four year-old she was forced to witness murders of children that involved former Pope Ratzinger, a Dutch Catholic Cardinal, plus the father of Netherlands Queen Beatrix and Bilderberger Founder, Dutch Crown Prince Alfrink Bernhard.

"I saw the former Pope Joseph Ratzinger murder a little girl" another witness confirmed. "It was at a French chateau in the fall of 1987. It was ugly, horrible and didn't happen just once. Ratzinger and Bernhard were some of the more prominent men who took part."

Human hunting parties were said to take place on the grounds of Belgium, Queen Beatrix's Palace in the Netherlands. Two witnesses have named former Pope Joseph Ratzinger and Queen Beatrix's father the deceased Prince Alfrink Bernhard (<http://www.telegraph.co.uk/news/worldnews/europe/netherlands/7377402/Dutch-Prince-Bernhard-was-member-of-Nazi-party.html>), as being present at child sacrifices. Both were said to be Nazi sympathizers.

## Royals Hunting Children For Sport

Black Forest, Germany—Because the U.S-U.K. and Germany do so much programming, and some of the people in the U.S. were programmed in the U.K., Germany or Russia, it is worthwhile to mention some of the German programming sites. A number of witnesses report about castles in the Black Forest which are used for programming & ritual. Basal, Sw. on the border with Germany is a important Illuminati center. Frankfurt, Berlin and Zurich are all important programming/ritual sites. The Jesuits and the Catholic churches are very active in programming in Germany.

It appears the previously owned Rothschild #BlackForest is being raided!! This is where many human hunting parties have taken place. Here is an account of one witness to hunting parties – “In 2004 I was an involuntary witness to torture, rape and murder sessions of drugged children performed for a group of high ranked people of the Netherlands” stated a woman. “I was taken to a hunting party in Belgium close to Brussels where I saw two boys and a girl ages 14 to 16 hunted and killed by global elites. The human hunting party was heavily guarded by the Netherlands Royal Guards. I was told that King Albert of Belgium was present.”

Four eyewitnesses confirmed that as children and youths they were forced to attend human hunting parties where they and other children were raped, with some killed, and deceased boy’s penises were cut off. Allegedly there was a Dutch countryside palace where boys’ penises were displayed like trophies on a wall. Some hunting parties were hosted on the grounds of Belgium Queen Beatrix’s Palace. **European Royals Allegedly Killing Children in Human Hunting**

The royals had a hunting lodge, huge property, very remote. Queen Eliz. would host parties for the elite. Kids were brought. They were raped, beaten, etc... then they were told to run (while naked and terrified). They did not know there was no escape. Then they were hunted.
