

Future Release Information

Thank you for purchasing the *McGraw-Hill
Multimedia Encyclopedia of Science &
Technology*.

In an effort to provide you with the highest value for your investment, we at McGraw-Hill will be revising this Encyclopedia with content updates as well as software improvements. We have an ongoing commitment to improve the performance of this product, already planning several for the next release.

In order for us to notify you of these improvements, it is important that you fill out and submit the registration card enclosed with the product.
